Consulting-Specifying Engineer Announces the 2015 MEP Giants Winners

Oak Brook, Ill. — *Consulting-Specifying Engineer*, a CFE Media publication, announces the 2015 MEP Giants. The 100 engineering firms distinguished by this award are recognized in the August 2015 issue, online at www.csemag.com/giants, and at a dinner and networking awards event in Chicago in September.

The MEP Giants program, sponsored by Eaton, lists the top mechanical, electrical, plumbing (MEP), and fire protection engineering firms in the United States. The in-depth analysis of these firms reveals industry insights, and how the engineering industry has changed over the past few years.

The 2015 MEP Giants have earned this title by proving that they find opportunity in the many changes in the building engineering industry. The 100 firms selected as the 2015 MEP Giants continuously push the boundaries in the mechanical, electrical, plumbing, and fire protection engineering sectors, providing the most cutting-edge designs in the consulting engineering community. Data collected from these firms over the past several years has helped *Consulting-Specifying Engineer* to analyze and identify trends in the marketplace.

The top 10 MEP Giants engineering firms by MEP design revenue are:

Rank	Firm	MEP design revenue
1	Jacobs	\$1,946,496,649
2	Black & Veatch	\$987,000,000
