

# CONSULTING - SPECIFYING engineer®

May 19, 2014

OAK BROOK, Ill. — *Consulting-Specifying Engineer* has announced the recipients of the 2014 40 Under 40 award. This award is given to 40 building industry professionals age 40 and younger who stand out in all aspects of their lives. To read a profile of each winner, visit [www.csemag.com/40under40](http://www.csemag.com/40under40).

Candidates were nominated by a professional colleague or mentor and judged based on nine areas including their commitment to excellence in their academic, professional, personal, and community lives. In May, *Consulting-Specifying Engineer* honored each of these young professionals, highlighting traits that lead him/her to continued success, recent professional projects, and personal achievements.

“These young professionals are the future of the industry,” said Amara Rozgus, Editor-in-Chief of *Consulting-Specifying Engineer*. “Now in its seventh year, the competition has increased in exposure, and the caliber of nominees has risen to an even higher level. Each winner truly deserves this recognition.”
